

### What's in Your Waste Collection Bin?

Identify what kinds of waste you are throwing away and how much you generate over the period of five work days. Place a tally mark in the appropriate box for each item placed in a landfill, recycling or compost bin. Note ways to reduce, reuse or recycle items.

Material	Trash Tally	How can replaced, reused or recycled?
Paper		
Food		
Plastic Bottles, Jugs or Jars		
Other types of plastic		
Glass		
Metal
